Dr. Marci Skemp, PT

Marci received her undergraduate degree in Exercise and Sport Science from St. Catherine University and also completed her Doctorate in Physical Therapy from St. Catherine University. Marci has five years experience as a physical therapist, working two years in Kirksville, MO and three years in Bradenton, FL.

While in Florida, Marci became specialized in vestibular rehabilitation and treating all types of dizziness disorders. Marci provides treatment with evidence based protocols to reduce and eliminate dizziness symptoms and to restore balance. Marci also received a certification in concussion management and treatment from the American Institute of Balance.

Marci provides a comprehensive patient centered treatment, always aimed at reaching patient goals. Marci also has a special interest in women's health and pelvic floor dysfunction.
