

As your movement and wellness experts, we are thankful for technology to help best serve you in all of your physical therapy needs!

Here are some step by step instructions to get you going with an account through PtEverywhere:

- Go to <https://pteverywhere.com/PtE/s/dynamic>
- Enter in your email you have on file with us
- Click FORGOT PASSWORD and it will send you another email to your email address to reset it. If you are still having difficulties, please give us a call at 608.351.3049 or email us at office@mydynamicphysio.com and we will get that sent again to you!
- Once you have created an account, you can download the PtE app on your phone or tablet and log in using the same information you used to create your account. ***Please make sure you allow push notifications when setting up the app, as this is what will send you a reminder 1 hour prior to your appointment**
- You are now ready to start using the mobile app or desktop application for your telehealth appointment, make a telehealth or in-person appointment, access your invoices and more!
